

PROFESSIONAL GOLF INSTRUCTION

My name is Joey Allen. I have been the Head Golf Professional at Nueva Vista Golf Club since 2005, giving individual or group lessons to students of all ages and skills. A lesson can consist of the full & short swing, putting, course management and the mental approach.

I started playing golf at the age of 13. I played three years of high school and three years of college while earning a bachelors degree in business. After college, I caddied on the Champions Tour for Dewitt Weaver, Art Wall and Phil Rogers. While there, Gene Littler and Phil Rogers helped me develop my teaching skills. I have been a member of the PGA since 1992 and a Class A member since 1997. Over the years, I have had the opportunity to work with a few PGA Tour members such as Bob Estes, Jaxon Brigman and Jeev Milkha Singh who is currently 37th in the world rankings.

My teaching philosophy is to help develop and achieve your goals. For a high school golfer, it might be to break 80 or get a college scholarship. For a senior golfer, it might be to cure a slice. For lady golfers, it might be to have a better short game. If you want a better golf game, come see me and let's develop a plan to reach your goal.
